

**GOVERNMENT OF INDIA  
MINISTRY OF CIVIL AVIATION**

## **Vision Document- National Green Aviation Policy**

The Ministry of Civil Aviation, Government of India is committed to inclusive and sustainable growth of the civil aviation sector in the country while mitigating its negative impacts on environment at the same time.

This Vision Document sets out a strategic framework to address the major environmental challenges of the aviation industry. It comprehends the key environmental issues of the sector and emphasizes the Government's approach towards environment protection.

### ***Vision Statement***

*To enable, promote and strengthen all inclusive, green and sustainable growth of air transportation in India.*

### ***Strategic Objectives***

- ❖ To support sustainable and inclusive growth of the Indian aviation sector
- ❖ To make Indian aviation one of the most resource efficient sectors
- ❖ To enable and promote solar and other renewable energy usage
- ❖ Enhance aviation systems from conventional to advanced, environment friendly systems
- ❖ To reduce greenhouse gases and other emissions in line with national and global standards
- ❖ Enhance competency on environmental sustainability for all aviation professionals & stakeholders

### ***The Policy Areas***

- |   |  |
|---|--|
| ✈ Environment Management System             | ✈ Airport Master Planning              |
| ✈ Green Infrastructure Programme            | ✈ Noise Management                     |
| ✈ Greenhouse Gas Emissions & Climate Change | ✈ Local Air Quality                    |
| ✈ Energy & Resource Conservation            | ✈ Solar and other Renewable energy     |
| ✈ Waste Management                          | ✈ Water Management                     |
| ✈ Land, Soil, Habitat and Biodiversity      | ✈ Spills, Releases and other Incidents |
| ✈ Competency & Skill Development            | ✈ Simplified Regulatory Regime         |

***The draft 'Vision Document- National Green Aviation Policy' will be available on the website of Ministry of Civil Aviation shortly.***
